Deli Overview

Solutions to help your growing business

Supermarkets rank 2nd among growing commercial foodservice segments. Michael Foods has the right mix of products to help bring in new customers and keep loyal fans coming back with new and diverse options.^

Raise your bar!

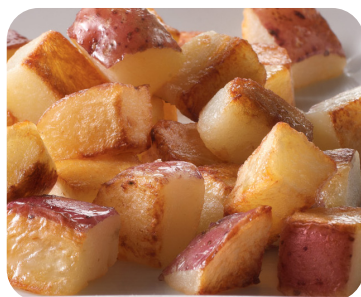

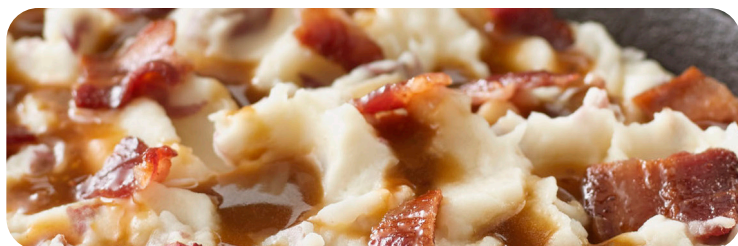

- Convenient on-the-go options
- Solutions for breakfast, lunch, and dinner
- Back-of-house ease with simple, consistent preparation

Over the past year, servings of these key menu offerings supported the continued growth of the Deli segment:

- Egg dishes 18.4%
- Mashed Potatoes 18.8%
- Breakfast Sandwiches 5.8%*

Brand Overview

SIMPLY POTATOES®

Real Potatoes

Made from real potatoes & consistent quality ingredients so they taste like scratch. Never frozen or dehydrated for your fresh advantage.

Performance and Safety

Consistent, high-quality product thanks to over 40 years our experts have spent perfecting the refrigerated process. Prevents risk of injury from sharp knives and reduces risk of cross contamination from pathogens on raw potatoes.

Convenience and Savings

Arrive prepared and ready-to-heat. No cleaning, peeling or mashing. Immediate usability in any culinary application.

Simply Potatoes® provide significant time and labor savings compared to scratch potatoes. Refrigerated Simply Potatoes® products give you consistent results and dramatically improved yields.

It can take
5 TIMES LONGER
TO PREP MASHED POTATOES
FROM SCRATCH

It can take
8 TIMES LONGER
TO PREP DICED POTATOES
FROM SCRATCH

You can suffer a
20% YIELD LOSS
USING SCRATCH INSTEAD OF
REFRIGERATED POTATOES

Refrigerated Mashed Potatoes

Simply Potatoes® offers a variety of mashed potatoes to fit your operational needs. Whether you are looking to use our traditional plain mashed potatoes to customize or go with a fully finished formula for back of the house convenience, Simply Potatoes has an option for your business.

Brand Overview

Value-Added Egg Products

Trust Michael Foods for the egg solutions that match your exact menuing needs, and help you run a safer, smarter kitchen. The Papetti's® brand features the industry's broadest portfolio of real eggs with real advantages.

Certified Cage-Free Egg Products

Expand your menu to meet today's evolving consumer preferences with Abbotsford Farms® Cage-Free Products. Our American Humane Certified liquid, hard cooked, and precooked offerings allow you to menu cage-free egg dishes with confidence and convenience.

Retail Ready Egg Products

The Easy Eggs brand has evolved over the years to represent some of Michael Foods flagship egg products, but today, represents our retail-ready egg offerings. With a variety of high-protein, convenient grab-n-go hard cooked eggs, we make snacking easier than it's ever been before.

Hard Cooked Eggs

Our whole hard cooked eggs are peeled and easy to chop, dice, or slice—perfect for salad bars. Or serve them whole as a protein-packed snack or a grab & go menu idea. Also available in frozen diced for added convenience.

Bakery Overview

Eggs For Every Product Possibility

For uses ranging from bakery items to cookies, cakes, and more, we have the industry's most diverse Egg Products Portfolio. We offer formulas that help eggs flow through machinery easier, dissolve quickly, and control pH levels.

Dried — products that are exceptionally convenient, mixable and dependable.

Refrigerated Liquid — pasteurized eggs with consistent performance, in both short shelf life and extended shelf life options.

Frozen Liquid — quality selections that are ready on demand, in handy packaging varieties.

Enzyme Modified — specialty yolk products that feature enhanced functionality in emulsion applications.

Tote size

Right-Sized Packaging:

- **Cartons** — for liquid eggs in 1 lb., 2 lb. and 5 lb. options.
- **Boxes, bags and tubs** — in multiple sizes, for liquid, dried and precooked products.

Tanker

- **Super sacks, totes and tankers** for large-volume shipments of liquid and dried eggs.

Bakery

Dried eggs are exceptionally convenient, mixable and dependable. Use dried eggs in a variety of ingredient applications for consistency. Additional ingredients added, such as free flow to Whole and Yolk products help eggs flow through machinery easier. Cage Free options also available.
